COMMUNICATION

Sir:

It has just been noted that in the discussion of the "obviousness-type double patenting" rejection on Page 10 of the Appeal Brief filed April 18, 2001, the "copending" application is referred to as U.S. Application No. 09/599,699 when, in fact, it is U.S. Application No. 09/599,688. This inadvertent error is regretted.

Respectfully submitted,
